

A Message From Dyersburg Chief of Police Arthur Heun

I would like to welcome you to our Department Website. The Dyersburg Police Department is constantly changing with the times and strives to keep pace with the latest technologies and trends. We promise to continue to provide the programs and services that our citizenry has come to expect. Dyersburg is fortunate to have a crime rate that is much lower than the national average. We must continue to be vigilant and realize that each one of us plays a role in keeping our city safe. I would like to thank all of our men and women of the Department as well as Mayor Holden & the Aldermen for their support. I encourage all citizens to call upon me or any of our staff with comments & concerns on how to make our community a safer place to live and work. You are additionally encouraged to visit our Facebook page and post any of your comments.

Sincerely,

Arthur Heun
