New services/Disconnections/Building Permits

Please call (731) 288-7604 to discuss new services, disconnections and building permits. You will be given information on what items to bring in and if a deposit is required. Customers doing a new service will be given an appointment to come in and sign paperwork.

As we monitor the COVID-19 Pandemic, our main priority is to protect each of our employees, their families and our citizens. There may be additional procedural changes or building closings as this situation evolves. We will do our very best to keep you informed. Please follow the City of Dyersburg Facebook page at City of Dyersburg, TN – Gov or Twitter @MayorJohnHolden for additional information.
