

Planning Commission
June 10, 2010

The Dyersburg Municipal-Regional Planning Commission met in regular session on Thursday, June 10, 2010 in the municipal courtroom at 10:34 am.

Members present: all present except Dudley and Presslar.

Chairman Eddie Burks presided.

Training Session

State Planner Kim Morgan conducted Commissioner training. She outlined the legal basis for the Planning Commission's authority in the UGB and the Regional Zone. The Commission has sole authority over sub-division regulations. The Commission has the responsibility for drafting any Major Road Plan and for requiring the appropriate level of utilities to service growth.

The Commission discussed aspects of the existing road plan.

Flood May 2010

Mayor Holden commended city residents and businesses for working with the City to help in the ongoing recovery from the May flooding. He stated that the emergency and its aftermath has brought out the best in people.

The meeting adjourned at 10:59am.
